Organizational Summary:

Conservation Legacy is a nationwide non-profit. The Corps programs within the organization engage participants in diverse conservation and community projects that serve public and private lands. These projects provide opportunities for personal and professional development and strive toward a high priority of needs for public land managers and community partners. Through the mission of engaging future leaders who protect, restore and enhance our nation's lands through community-based service; Conservation Legacy works toward a world with healthy lands, air and water; thriving people and resilient communities.

The Stewards Individual Placement Program (Stewards), a program of Conservation Legacy, places individual placements across the nation in projects that build capacity, improve access to natural resources, develop and support innovative solutions, develop opportunities for service and economic development, and empower leaders. Stewards focuses on federal partners such as the National Park Service, US Forest Service, and Bureau of Indian Affairs along with multiple state and local governments and nonprofits.

Position Summary:

The Enrollment Specialist I supports enrollment and onboarding of Individual Placement members within all of Conservation Legacy programs nationwide: Ancestral Lands Conservation Corps, Appalachian Conservation Corps, Arizona Conservation Corps, Conservation Corps New Mexico, Conservation Corps North Carolina, Southeast Conservation Corps, Southwest Conservation Corps and the Stewards Individual Placement Program.

Working with identified program staff, the Enrollment Specialist I ensures all individual placement members are successfully on-boarded before their term starts. Much of this position involves working within a structured onboarding procedure which includes creating member onboarding profiles, auditing for task completion, and assisting members through the onboarding process. The Enrollment Specialist I also ensures that members are oriented with program policy and procedures, supported during the term of service, and member engagement strategies are performed for the member through interactions with the program staff. This position may also support Corps in recruitment, facilitating the necessary evaluations for member service terms and member exiting procedures. This position requires someone who has an eye for data quality, is highly organized and can manage competing priorities.
