### **Organizational Summary:**

Conservation Legacy is a nationwide non-profit. The Corps programs within the organization engage participants in diverse conservation and community projects that benefit public and private lands. These projects provide opportunities for personal and professional development and strive toward a high priority of needs for public land managers and community partners. Through the mission of engaging future leaders who protect, restore, and enhance our nation's lands through community-based service; Conservation Legacy works toward a world with healthy lands, air, and water; thriving people, and resilient communities.

### **Program Summary:**

The Southwest Conservation Corps (SCC) is a program of the non-profit service organization, Conservation Legacy, that is built on the legacy of the Civilian Conservation Corps (CCC) that operated from 1933 – 1942. SCC provides youth and young adults opportunities to complete conservation projects on public lands. While serving with SCC, members receive training on job skills, conflict resolution, leadership, teamwork, and environmental stewardship. Programs are developed using a step ladder approach to provide a progression of skill development based on a member's needs. Members receive a weekly living allowance, training, and an AmeriCorps Education Award (for qualifying individuals).
